

I know why no one here believes we're aliens—it's because we look just like humans!

Sir, I know we are both robots. But nothing works here without a bribe!

You have excellent resistance against all diseases—at least 33 mega Ohms!

Thank God! Finally, the overflow detection is working!

Welcome to our newly opened 'cloud' store. You can't see anything here because we have put everything on cloud!

DC-to-DC converters? I wonder why you invest so much to convert DC into DC? What a waste of public money!
