

Power Capacitors for Power Electronic Applications

MKP DC Resin Top and MKD AC Series Made in India

MKP DC resin top series B25690*

- Voltage range: 700 to 3000 V_{DC}
- Rated capacitance: 45 to 5500 µF
- Terminal: Female M6
- Low self-inductance
- Reference standards:
IEC 61071-2017, GB/T17702-2021,
RoHs compliance, CE and UL 810
compliant

Made In India 

MKP AC single-phase and 3-phase series B3237*

- Voltage range: 250 to 1000 V_{RMS}
- Rated capacitance:
10 to 350 µF single-phase and
3 x 5 to 3 x 400 µF 3-phases
- Overpressure disconnector
- Terminal: Faston, screw M6/M10
and clamp M5/M6
- Reference standards:
IEC 61071-2017, GB/T17702-2021, RoHs
compliance, CE and UL 810 compliant
