JANARDHANA SWAMY AND NEHA J.S.

I can tell by your eye movement that you hate maths, and you're going to buy two kilos of tomatoes now!

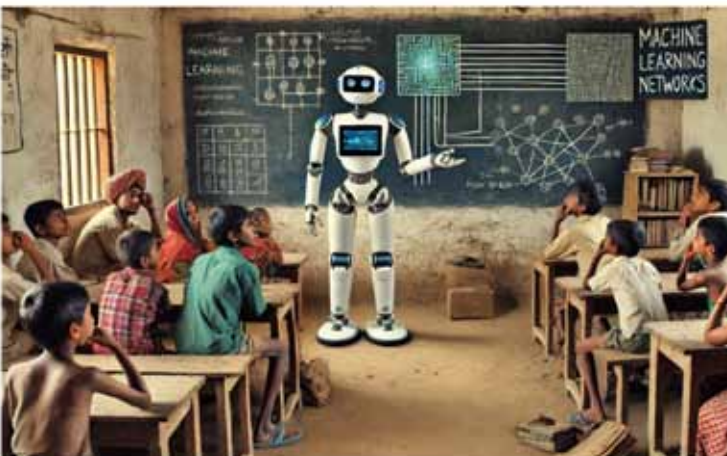

Please do not worry, sir. If I make a mistake, I can make a matching wig for you using your own hair.

We are a very closely connected family, Papa. We meet every day for dinner and share the same Wi-Fi.

Sir, what you are pressing is not a TV remote!

Welcome to Class 1. Today, we will cover C++ and the basics of deep learning before we move on to neural networks.

Since energy cannot be destroyed or created, and mass and energy are the same, we cannot be destroyed either!
