

ABOVE ₹1 CR EVs IN INDIA: Which One Would You Pick?

As you move up, it starts getting lonelier! The same seems to be true with the choices available in the above ₹1 crore (10 million) electric vehicle segment in India. Here is a brief look with the stars we believe can help you make an informed decision. An informed look at super-luxury EVs available in India

MUKUL YUDHVEER SINGH AND DILIN ANAND

Audi e-tron

Pros

- Seems to be more preferred than the iX
- Good driving experience, comfortable ride, and decent range

Cons

- Raised floor affects rear seat comfort
