

Visionaries of the Automation World

Presents

An Incredible 4-Day Conference Exploration

21st, 22nd, 23rd, 24th

AUGUST 2024

**BEC Hall No 1 & 2
Goregaon Mumbai**

21 AUG 10:00 AM & 06:00 PM

Inauguration & CEO Nite

An exclusive gathering of visionaries & leaders, focusing on innovation, sustainable growth, and seizing the future. This elite event promises unparalleled networking and insightful strategies

22 AUG 02:00 PM

Conference on Robotics

Engage with top experts at the Robotics Innovation Conference. Explore advanced robotics through technical sessions, workshops, and live demos, covering topics from industrial applications to ethical implications.

23 AUG 05:00 PM

Awards Ceremony

A celebration of innovation and achievement in automation, honoring the trailblazers setting new industry benchmarks.

Who Should Attend:

- » Manufacturing Leaders & Executives
- » Industrial Automation Professionals
- » Automation & Instrumentation Users
- » Industry Experts & Consultants

22 AUG 09:30 AM

Process Automation Conference

Delve into the latest in digital twin technology, cybersecurity, AR/VR, and the transformative role of AI in process automation. Gain valuable knowledge and practical insights to propel your projects forward.

23 AUG 09:30 AM

Factory Automation Conference

Explore how AI and Robotics are revolutionizing manufacturing, logistics, and supply chains. From VR/AR to computer vision and NLP, uncover the technologies driving successful digital transformations.

24 AUG 11:00 AM to 01:00 PM

Workshops

Deepen your knowledge and elevate your skills through immersive workshops and seminars conducted by industry experts. Gain hands-on experience and invaluable insights

- » Government & Regulatory Bodies
- » Academic & Research Institutions
- » Trade Associations & Industry Bodies
