Think Electronics. Think Elektronika.

To meet the design challenges for the Electrical Vehicle market demand.
Elektronika R&D designed solutions considering unique Indian conditions.
Elektronika offers complete kitting program for the solutions to over come
the components lead time and availability issue.

Align with Elektronika for a faster development and go to market.

Elektronika Sales Pvt Ltd

Leaders in Technology Distribution, Consolidation & Kitting
An ISO 9001 : 2008 Certified Company

Plot No: 31-A, AMBIT Park Road, Ambattur Industrial Area, Ambattur, Chennai 600058
