

Meat/Auto/Micro. Time will start decreasing from 15:00 minutes. On completion of time, the buzzer will beep. After the beep, display will show Cooking Complete.

3. You can select any one of the options: Frozen, Defrost, Bake, Veg or Rice, and repeat the above steps (a, b and c).

Manual mode.

1. Switch on the power. Display will show Standby.

2. Press Up key. Display will show Set Time.

3. Press Up/Down key to increment/decrement time.

4. Hold Up/Down to increase the speed of count.

For example, to select Veg for 3.00 minutes,

(a) Press Veg. Buzzer will beep.

(b) Press Micro. (You can select Micro, Grill or Combi)

(c) Press Start. Display will show Manual/Veg/Micro. Time will start decreasing from 3:00 minutes. On completion of time, buzzer will beep. After the beep, display will show Cooking Complete.

5. You can select any option: Frozen, Defrost, Bake, Rice or Meat, and repeat the above steps (a, b and c).

Caution. Microwave ovens operate at high frequency and voltage waves (microwaves), which is highly dangerous. Take extreme care while working with microwave ovens. Always close all coverings before operation. **EFY**

Check for minimum time durations, and ensure that the lamp is on/off as the per sequence shown in the table. If the working and time duration is found satisfactory for all cook styles, switch off the unit and connect the HV transformer and heater. Close the covers and prepare any food item as per your choice.

Operational instructions

Auto mode.

1. Switch on the power. Display

will show Standby.

2. Select one option (frozen, defrost, bake, veg, rice or meat).

Say, for meat:

(a) Press Meat. Buzzer will beep.

(b) Press Micro. (You can select Micro, Grill or Combi).

(c) Press Start. Display will show
