

had turned off due to a power cut. In case of critical refrigerant leakage, the AC remains off, displaying relevant error code. It costs about ₹ 39,000 on Flipkart.

Blue Star 3CNHW18CAF/U. Blue Star's three-star 1.5-tonne inverter split AC has an anti-freeze thermostat that regulates the room temperature consistently. It can operate in five modes: auto, cool, fan, dry and no-heat. This AC too comes with a self-diagnosis unit. Anti-corrosion blue condenser fins ensure quick and efficient cooling as well as a long lifespan. Blue Star really delivers on the filtration front. The AC comes with five filters: an anti-bacterial filter, a Catechin filter, a silver-ion filter, a dust filter, an anti-acaric filter and an active carbon layer to suck out harmful chemicals and odours. The company offers one-year warranty on the complete product and five-year warranty on the compressor. The AC is priced at ₹ 46,500.

Carrier 18K Ester Inverter 3i

Blue Star 3CNHW18

Godrej NXW GIC 18

Godrej NXW GIC 18 CAH 5. This inverter AC from Godrej is smart in all respects. Copper condenser enables

powerful cooling, while inverter technology ensures power savings. According to the company, its 5-star BEE rating and 5.20 ISEER score save up to 25 per cent electricity.

The AC has a strong anti-bacterial and dust filtration system. Intelligent Air Throw feature distributes the air equally throughout the room. 3X BLDC dehumidification technology keeps humidity in check. Godrej offers 10-year warranty on the compressor and 5-year warranty on the condenser.

Wi-Fi support is a distinct feature of this AC. That means the AC can be configured with a mobile application over Wi-Fi and controlled from anywhere (infinite operating range) using a smartphone. The application also provides you energy consumption insights to plan AC usage better and save more on electricity bill. The AC is available on Amazon.in for ₹ 46,000. **EFY**
