## 60cm LED TV

With built-in soundbar

Daiwa TV has extended its portfolio with the addition of a 60cm (24-inch) HD Ready TV, D26K10. This small-size TV has a built-in soundbar with box speakers for enhanced listening experience.

Sporting sophisticated look and sharp edges with user-friendly interface, the TV blends in with every home interior. It produces the brightest and darkest colour efficiency with its picture enhancement function paired with digital noise reduction technology that brings the rich and immersive sound to your ears. Furthermore, cinema zoom feature with A+ grade panel brings a crystal-clear view. Connectivity options include two HDMI input ports and two USB ports. Incorporating customisable back-light option, the TV consumes very little power.

## Bluetooth Speaker

Ultra-thin with stylish looks

Expanding its product portfolio, JVC has launched a portable Bluetooth speaker (XS-XN226) with high sound quality. Classy yet trendy, it can be carried conveniently in your hand. It also comes with a holder at the back of unit for standing devices, so incorporate your phone and just enjoy the seamless music. To enhance the sturdiness, XS-XN226 is housed with a high-quality rubber oil coating, which not just gives it a smooth and matte finish but also durability.

The speaker is integrated with the latest Bluetooth version and innovative sound boosters to calibrate the sound as per your expectation. It gives peak music power output of 5000W.

## In-ear Earphones

Get distortion-free, extra-bass sound

Ambrane India's new earphones (EP-40 and EP-50) provide a sound quality that stays with you while you are on the go! These offer comfortable and light-weight ear-pins that ensure a super secure fit. The speakers inside the ear-phones, with 3.5mm stereo plug, maximise the sound output and minimise sound distortion.

The 10mm driver units deliver balanced sound with exceptional low-end, 20Hz-20,000Hz frequency response. The built-in microphone with 3-button control panel allows toggling between your favourite track and phone calls.
