

The 3<sup>rd</sup> Edition

# India Electronics Week 2018

## Driving Technology, Innovation & Investment for Smart Products

Few things that set the last edition of India Electronics Week (IEW) apart were 150-plus speakers, 3,000-plus conference delegates, over 30 per cent of visitors traveled from outside Karnataka for the show, and last but not the least: over 35 per cent were first-time visitors to a tech-expo!

### KEY FACTS

Show dates: **February 7-9, 2018**

Location: **KTPO Trade Center, White-field Industrial Area, Bengaluru**

For more information, visit:  
<http://www.indiaelectronicsweek.com>

After the success of the last two editions of India Electronics Week (IEW), EFY Group brings to you the third edition on the same theme, 'Invest in India', to celebrate the achievements of India's electronics industry and showcase its capabilities to the world. This week-long celebration will be triggered by small events held in key cities across India, and will culminate in the main B2B industry event.

### Nine reasons why you should not attend IEW

We spoke to a few members of the tech community to understand why they had not attended earlier editions of IoTshow.in or India Electronics Week (IEW). Our aim was to identify the most common reasons and share them with you, so that if you too had similar reasons, you may choose not to attend IoTshow.in 2018. This is what they shared...
