

thank them—we have a 50% discount for them too. Again, active or retired academicians can avail this discount.

Q. Who's qualified to get this discount?

A. Anyone who teaches as a profession. Professors, teachers, lecturers, trainers—from schools, colleges, training institutes—all of them can avail this benefit. And, the institution can be private or government owned. As long as you teach, we want to thank you.

Q. How to get this discount?

A. Academicians can use the promocode ACAPASS and upload an image of their identity proof. That's it. If we find that proof submitted is invalid, then we may cancel the registration.

Q. Where can we get the details about the conferences and workshops?

A. We are updating details of all conferences and workshops on this page: <https://www.indiaelectronicsweek.com/conferences-workshops/>. As more conferences, workshops and meetups get finalised, we will keep updating this page.

Q. Does the pass fee include GST

A. Yes, GST is included in it—so the amounts indicated are NET, and nothing extra needs to be paid over and above the stated amounts.

Q. If I need a GST invoice – will that be provided?

A. Yes, the same will be provided. Shoot us an email (with your GST number) at rsvp@efy.in, and our team will provide you with a GST-input-credit-friendly invoice within 3 working days.

Q. When will I get the attendance certificates?

A. We typically mail the attendance certificates by courier to those with designated paid passes, within 1 week, after the event. But, if you want, you can collect the same on the last day too—as long as you are amongst those who had registered and paid up before 1st Feb, 2018. If you paid later, we will have to mail you—as we won't be able to print and get them at the event, on time.

Q. Can the payment be made post the event?

A. No, all payments have to be done before the event. For further details, contact us at +91-98111 55335 or rsvp@efy.in.

Q. What modes of payments do you accept?

A. We accept all modes of payments—Digital (credit card, debit card, NEFT, PayTM, etc) and Analogue (Cheque, DD, etc). The former have to be made in the favour of EFY Enterprises Pvt Ltd, and mailed to IEW 2018, D-87/1, Okhla Industrial Area, Phase-1, New Delhi—110020. To make online payment, you can use our online registration system or login to your account and upgrade through it.

Q. I have already registered as a Visitor. Now I want to upgrade my pass—how do I do that?

A. Simply login to your account at <http://login.indiaelectronicsweek.com> and upgrade your pass. Else, speak to our team at +91-98111 55335, and they will help you.

Q. How will I know which exhibitors should I visit?

A. We will be issuing a Show Guide (printed) to all visitors at IEW. This show guide will also be available on our website. It will enable you to see list of all exhibitors and search them product category-wise.

Q. Why should I print my pre-printable badges? What's the benefit?

A. If you print those badges at your office or home, and come with them to the venue—you will NOT have to stand in any queue. You can simply pick an empty lanyard (string with plastic sleeve), fold your printed badge, and walk straight in!

Q. If I walk straight in, where will I get my delegate kit and lunch coupons (if I have paid for that level of pass)?

A. At the expo floor, we will have May I Help You Desk, where you can collect the same—at any time.

Q. How many events are there at India Electronics Week?

A. Overall, five branded events are happening under IEW: EFY Expo, IoTshow.in, LEDAsia.in, T&M Expo, and EFY Conferences. Under these—many conferences, seminars, workshops and meetups are happening across the three days.

Q. Are there any age restrictions with respect to visitors?

A. Yes, entry is for those aged 16 and above only. And, entry for students is on the third day only, which is February 9, 2018.
