PCB Layout Design | PCB Fabrication | PCB Stencil

PCB Assembly

AOI Verification | Fully Automated State of the Art Assembly Plant | X-Ray Inspection

- Turnkey Assembly
- Consigned Assembly
- Partially Consigned Assembly
- Minimum Order Quantity: 1
- No Setup Charges
- Cost Effective Frameless Stencil Solution
- Automatic Wave Soldering Through Hole Components
- BGA, QFN, QFP & 0402 Components Assembly Capable Line

Component Sourcing

- Dedicated Team of Sourcing Agents
- WorldWide Sourcing Partners
- Ideal for Prototype & Small Volume
- 10000s of Components IN-Stock
- BOM Analysis of Alternative Components
