

SUPERCARS ARE COMING

GIVE WAY ON THE HIGHWAYS

Stop trying
to fit in when
you were born
to stand tall

VROOM! VROOM! VROOM! Did you miss something that zipped passed you on the highway? Oh yes! These were some macho boys on the road, driving their supercars. Also known as big boys' cars, these are powerful, bespoke cars with muscle, having unbelievable speed, panache, guile and, in most cases, available in limited numbers only.

You might be wondering what makes a car a supercar? Is it their elite style, power and performance, niche contours or custom-built character? I would say it's all of these and more.

As long ago as 1920, Ensign 6 came out with the statement, "If you are interested in a supercar, you cannot afford to ignore the claims of Ensign 6." So supercars is not a new phenomenon. But surely, after nearly a century of their existence, the supercars have gone through a series of evolutions that have transformed them entirely.
