iBall Guard Starlight colour night vision camera

D3D D8862 outdoor Wi-Fi camera

D-Link DCS-P6000LH

Hikvision DS-2CE16C2T-IR

black-and-white video recording. Its proprietary Starlight technology provides better-quality colour recordings even in low-light conditions.

The camera can record videos at 1080-pixel resolution, and offers a viewing range of 500 metres. iBall cloud feature provides remote access and control to video feed. Files can be stored in Google Drive or Dropbox. It comes with motion-based alarm and notification systems. It comes with a three-year warranty, and is available for ₹ 4990 from iBall website or other retail stores.

D3D D8862 outdoor Wi-Fi camera. D3D's outdoor wireless camera is easy to set up and use. This plug-and-play system is a 720-pixel HD, 1MP wireless camera. Video stream is viewable in real time using a mobile application. Files can be stored locally on a microSD card or on a cloud FTP server as per subscription. The product offers motion-based alerts and notifications, and IR LED-based night-vision. It is available online for ₹ 3999.

D-Link Mini HD Wi-Fi home camera. Intended for in-house use with certain outdoor applications, the new DCS-P6000LH Mini HD Wi-Fi

camera by D-Link can be a cost-effective solution. Set up wirelessly with your home's Wi-Fi, you can control the camera via mydlink mobile application. Your smartphone connects through it via Bluetooth. Motion and sound-based recordings can be streamed or downloaded over D-Link cloud through subscription. The HD (720p) camera has a 120-degree field-of-view and four times zoom capacity. In darkness, it turns to night vision, powered by built-in IR LEDs. The mobile application allows you to configure various functions. It is available for ₹ 2995 through D-Link's distribution network.

Hikvision DS-2CE16C2T-IR outdoor camera. This budget offering from Hikvision for outdoors records videos at a 720-pixel resolution with 1MP camera. It provides night vision up to a distance of 20 metres. You will need to install a hard disk drive (recommended 5GB) separately to store the video feed. The camera unit costs ₹ 1100, and is available online.

You can explore some more offerings from different vendors. Remember the features discussed here to crack a good deal! **EFY**
