

Powering World with Green & Efficient Energy

Telecom

Solar/ESS

UPS/Enterprise

Robotics

EV & Smart Mobility

Manufacturer and Global supplier of High Quality, High Energy Density Lithium Batteries

COSLIGHT ADVANTAGE:

- › Make in India Products
- › BIS Approved Lithium-Batteries
- › State of Art Manufacturing Units
- › Warranty and Service Support
- › Local Technical/R&D Support
- › Seamless Supply
- › Customization as per customer Requirements
- › Proactive Quality Management

LITHIUM BATTERY TECHNOLOGICAL ADVANTAGE:

- › Compact Size
- › Extended Life Cycles
- › High Current Discharge
- › Environment friendly
- › Light in Weight
- › Low Self Discharge
- › Excellent High Temperature Performance
- › Fast and Efficient Charging
- › High Watt Hour Efficiency
- › Designed for Cyclic is Operation

COSLIGHT MILESTONES:

- › India's No 1 Supplier of Lithium batteries for Telecom/Solar/Smart City/ESS/Enterprise Applications.

Coslight India Telecom Pvt. Ltd.

Plant Address: Plot No 122, Sector-4 IMT Manesar, Gurugram, Haryana India
