

30% Lower Cost 1W DC/DC Converters

Ideal for EIA/TIA-232 bus isolation and a wide range of industrial automation control equipment

- 0% Minimum load
- Single & dual outputs available
- 20% lower profile
- High capacitive load ($> 40\times$)
- Up to 3kVDC isolation
- Wide temperature range: -40°C to $+100^{\circ}\text{C}$
- EMC Class B with simple LC filter
- Ultra High Reliability: over 21Mhrs MTBF
- EN/IEC/UL62368-1 & UL60950-1
