

Calendar of Forthcoming Electronics Fairs/Exhibitions/Seminars/Events

Name, Date and Venue	Topics	Contact address for details
IFA Berlin August 31-Sept. 5, 2018 Berlin Exhibition Center (Expo Center City), Germany	International trade show for consumer electronics and home appliances	Website: http://b2b.ifa-berlin.com
Cedia Expo September 4-8, 2018 San Diego, California	Only show dedicated to residential tech	Cedia Expo Website: www.cediaexpo.com
SEMICON Taiwan, 2018 September 5-7, 2018 Taipei, Taiwan	Premier event in Taiwan for microelectronics manufacturing	Website: www.semicontaiwan.org/en
China International Optoelectronic Exposition September 5-8, 2018 Shenzhen Convention & Exhibition Center Shenzhen, China	Leading exhibition for precision optics in China	Website: www.cioe.cn/en/
AI Expo Africa September 9-11, 2018 Cape Town, South Africa	Trends driving real world artificial intelligence (AI) economy in Africa and creating a pan-African AI business community	AI Expo Africa Website: http://aiaexpoafrika.com/
PCB West 2018 September 11-13, 2018 Santa Clara Convention Center, California	Largest conference and exhibition for PCB design, fabrication and assembly in the Silicon Valley	PCB West Website: www.pcbwest.com
Elcina-EFY Awards 2017-18 September 14, 2018 The Lalit Hotel, New Delhi	Awards for excellence in electronics hardware manufacturing and services	EFY Group Website: http://efy.in/awards/ , www.elcina.com
Renewable Energy India Expo September 18-20, 2018 India Expo Centre, Greater Noida	Platform to showcase cutting-edge products and unleash the power of technology and innovation	UBM India Website: www.renewableenergyindiaexpo.com/
Design Summit 2018 (A NASSCOM Initiative) September 26, 2018 JW Marriot, Bengaluru	Discussions covering inclusive design, immersive experiences and crafting an emerging generation of AI interfaces as disruptive technologies	Design Summit 2018 Websites: https://design4india.in/ , designsummit.in/ , www.nasscom.in/
NASSCOM Annual Technology Conference September 26-27, 2018 Leela Ambiance, Gurugram	Technology 4.0	NASSCOM Website: www.nasscom.in
RoboBusiness 2018 September 26-27, 2018 Santa Clara Convention Center, Santa Clara, CA	Conference on the entire robotics ecosystem	Website: www.RoboBusiness.com
World Smart Energy Week 2018 September 26-28, 2018 INTEX Osaka, Japan	Smart and renewable energy show consisting of eight shows specialised in photovoltaics, rechargeable battery, hydrogen and fuel cell, smart grid and more	Reed Exhibitions Japan Ltd Website: www.wsew.jp/en
6th Digital India Telecom Convergence Summit September 28, 2018 Hotel ITC Maurya, New Delhi	5G technology for the future	Confederation of Indian Industry Website: www.convergencesummit.in/ , www.cii.in
TAITRONICS October 9-12, 2018 Taipei Nangang Exhibition Center	International electronics show	Website: www.taitronics.tw
4th India-Taiwan Electronics Summit October 10, 2018 Taipei	Summit on electronics system design and manufacturing	Website: www.elcina.com
India IT Week October 11-12, 2018 NIMHANS Convention Center Bengaluru	Platform for the open source community to share what's new and exciting in open source languages, tools and techniques	Website: https://opensourceindia.in/osidays
Global Sources Electronics October 11-14, 2018 (consumer electronics) October 18-21, 2018 (mobile electronics)	World's largest electronics trade fair, comprising two phases: consumer electronics and mobile electronics	Global Sources Electronics Website: www.globalsources.com
electronicAsia 2018 October 13-16, 2018 Hong Kong Convention and Exhibition Centre, Hong Kong	Trade fair for components, assemblies, and electronic production and display technologies	Hong Kong Trade Development Council Website: http://m.hktdc.com
HKTDC Hong Kong Electronics Fair (Autumn Edition) October 13-16, 2018 Hong Kong Convention and Exhibition Centre, Hong Kong	Fair showcasing innovative electronic products	Hong Kong Trade Development Council Website: http://m.hktdc.com
GITEX October 14-18, 2018 Dubai World Trade Centre	Showcase of the world's most advanced technologies	Website: www.gitex.com/
NASSCOM Product Conclave October 25-26, 2018 Bengaluru	Platform for technology speakers, entrepreneurs, CXOs, investors and customers to congregate and share views	NASSCOM Websites: www.productconclave.in , www.nasscom.in

C.P. Gurnani, chief executive officer and managing director, Tech Mahindra, says the company hopes to garner more than US\$ 100 million as revenue from blockchain technology during the current fiscal. The company started focusing on the emerging technology three years ago and implemented solutions mainly for the government and banking customers.

Samsung set to lead the IoT and AI in India

In the recently-concluded hiring season at the IITs and other top engineering colleges in India, Samsung India picked up around 1000 engineers. The consumer electronics leader will engage these new hires on taking forward its plan to up the game in areas such as artificial intelligence (AI), machine learning, the Internet of Things (IoT), natural language processing and others and, on developing India-specific innovations.

Last year, Samsung invested US\$ 15 billion in R&D globally, and is currently working on cutting-edge innovations in the areas of the IoT and 5G mobile networks, AI, autonomous driving and connected car technologies.

BlackBerry takes Make in India route to make a comeback

BlackBerry, which was once a strong player in the smartphones market, is attempting a comeback in India with locally-developed and manufactured devices that run on Google's Android operating system.

BlackBerry has signed a licensing agreement with Optimus Infracore to design, develop and manufacture its devices for India and neighbouring countries such as Sri Lanka, Bangladesh and Nepal. Optimus has partnered with Taiwan's contract manufacturer Wistron for the venture.

Xiaomi, Holitech to set up mobile component manufacturing unit in Tirupati

Xiaomi, in collaboration with supply partner Holitech Technology, is setting a mobile component manufacturing plant for its Mi and Redmi series phones, giving a boost to Modi government's Make in India initiative, reports *International Business Times*.

Holitech Technology is said to be
