

Academic and Research Initiatives and Industrial Associations

Table 1

Initiatives in Automotives Domain at Institute and Government Sponsorships		
Institute/government initiatives	Thrust areas	Partnerships
TIFAC-CORE on automotive infotronics in VIT University, Vellore (sponsored by TIFAC-Ministry of science and technology under mission REACH)	• Safety • Telematics • Body control • Vehicular networks	A state-of-the art education and training centre in the field of automotive electronics/infotronics. Industry partners include Brakes India Ltd, National Instruments, Trizon Tech, Freescale Semiconductor, Delphi Automotives, Cranes S/W, 3B Technologies, IBM and Kostal NTTF).
Automotive Research Centre (ARC) in VIT University, Vellore	ARC was established under Funds for Infrastructure Development of Science and Technology (FIST) programme, funded by DST.	The objective of ARC is to find solutions for automobile-related issues that impact manufacturers and the society. Focal areas of the centre are alternative fuels, combustion in engines, emission control, engine management, noise, vibration and harshness, and occupant safety. ARC also executes consultancy projects for automotive and allied industries. Partners include ARAI, Pune; Turbo-Energy Ltd, Chennai; KEMM, Bengaluru; and VRDE, Ahmed Nagar.
Technology Business Incubator (TBI) in VIT Vellore (sponsored by NSTEDB, DST)	Automotive technology and allied areas are among the thrust areas of TBI; there are other areas of concern as well.	With industry partners and small incubates.
Technology Business Incubator (TBI) in Veltech University, Chennai (sponsored by NSTEDB, DST)	Automotive technology, mobility and automation are among the thrust areas of TBI.	With industry partners and small incubates.

Initiatives by Academia

Table 2

University/Institute	Courses offered in India	
Veltech Dr SR & RR University, Chennai	• MTech (automotive materials and manufacturing engineering) • BTech (automobile engineering) • PhD in closely related areas of automobiles	
	• MTech in IC engines	Industrial collaboration with Automotive Research Association of India (ARAI)
Kalasalingam University, Rajapalayam Tamil Nadu	• BTech (automobile engineering) • MTech (automotive systems engineering) • PhD in closely related areas of automobiles	
SASTRA University, Tanjavur, Tamil Nadu	• BTech (automobile engineering) • BTech (mechatronics) • MTech (computer integrated manufacturing) • MTech (advanced manufacturing) • PhD in closely related areas of automobiles	Industrial collaboration: MTech (advanced manufacturing) (M/S Lucas TVS Ltd)
VIT University, Vellore	• MTech (automotive electronics) • MTech (autotronics) for industrial employees from Delphi, GM, Infion and others based on experience and sponsorship	Automotive Research Centre in association with TIFAC Core on automotive infotronics partners
	• MTech (automotive engineering)	In collaboration with IARI, Pune, ARAI, Pune; Turbo-Energy Ltd, Sholinghur; KEMM, Bangalore; and VRDE, Ahmed Nagar
	• MTech (mechatronics) • MTech (manufacturing engineering) • MTech (control and automation) • PhD in closely related areas of automobiles	School of Mechanical and Building Sciences (SMBS) in collaboration with Automotive Research Centre at VIT University, Vellore
Sathyabama University, Chennai	• BE (automobile engineering) • PhD (automobile engineering under School of Mechanical Engineering)	
Hindustan University, Chennai	• BTech (automobile engineering); specialisations are automobile engineering, motor sports engineering, autotronics and IC engines • Dual BE-MBA (automotive management) • MBA (automobile dealership management) • Master of Management in Automobile Engineering: This is a five-and-half-year integrated programme that includes BTech in automobile engineering (eight semesters) and Master of Management one-and-half years (three semesters) • PhD (automobile-related areas)	
Anna University, Chennai	• BE (automobile engineering; full and part time) • ME (automobile engineering; full and part time) • PhD (automobile and related areas)	
B.S. Abdur Rahman University, Chennai	• BE/BTech (automobile) • Master of Science (research) - automobile • Doctor of Philosophy (PhD) - automobile
