

High-Reliability Product Groups for Automotive Electronics

Multilayer ceramic capacitors

Infotainment

Body

For automotive (body&infotainment) / Soft termination / LW reversal

Powertrain & Safety

For automotive (control&safety) / for power supply

Inductors

Infotainment

Body

Ferrite / Metal core power inductors MCOIL™

Powertrain & Safety

Power inductors for up to 150°C

Noise suppression components

Infotainment

Body

Ferrite bead inductors

Powertrain & Safety

Chip bead inductors for up to 150°C / Common mode choke coil for up to 150°C

Multilayer piezoelectric actuator

Infotainment

Body

Beam-type element

FBAR/SAW devices / Multilayer ceramic devices / Wireless modules

Infotainment

Filter / Duplexer

Infotainment

Multiplexer / Filter / Coupler / Antenna

Infotainment

Bluetooth® low energy / WLAN : 802.11 CPU Embedded

Lithium-ion capacitors

Infotainment

Body

Powertrain & Safety

Large capacitance, laminate type

Products from ELNA

Infotainment

Body

Powertrain & Safety

Aluminum electrolytic capacitors /
Conductive polymer hybrid aluminum electrolytic capacitors /
Vibration-resistant aluminum electrolytic capacitors

TAIYO YUDEN
