

range video system. It comes with added advantages through G-sensor, motion sensor and inbuilt parking monitoring system to record any motion around the car while parking or driving.

Videos can be stored using an SD card. Procus Convoy supports up to 32GB storage. It has a loop recording system that automatically overwrites recordings, unless associated with any specific event or incident. It is available for ₹ 3699.

Akaso dashcam. This full-HD dashcam has a 170-degree field-of-view with night vision. G-sensor-driven videos captured are locked immediately, that is, prevented from being overwritten by new videos. Parking mode motion sensor captures surroundings in case of any movements nearby, when the car is parked.

The dashcam display automatically goes to standby when not in use. The device is battery-driven, which can be recharged through a USB. Akaso dashcam is available online for ₹ 4599.

70mai Mini. This smart dashcam features 1080p full-HD resolution and H.264 video encoding storage compression. It contains G-sensors, and its lock collision recording feature records any collision or accident clips for further followup. The dashcam can be controlled by a mobile application, and connection can be established using Wi-Fi. Visuals can be captured in real time.

In addition, it has an intelligent voice control feature, which can be very handy. You can provide voice commands like "Take a picture" or "Shoot a video" and the camera will do the needful. It is powered using a USB cable. 70mai Mini is available for ₹ 6449.

Transcend DrivePro 230. Transcend's dashcam offering, DrivePro 230 brings a variety of features. It has a two-channel image capture provision (at a maximum resolution of 1280p × 480p) and an integrated audio system. The device has inbuilt GPS facility for route indication, with lane departure warning. It provides forward collision warning based on the speed of the vehicle and proximity to other objects in the front.

The dashcam also features driver fatigue alert and headlight reminder, which can be highly helpful to avoid accidents. The device comes with a microSD card bundled in the box. It can be bought for ₹ 11,400 online. **EFY**
