Channel Partner Finder

A platform that connects electronics suppliers and channel partners

<http://channel.eleB2B.com>

Channel Partner Finder (CPF) is an online facility introduced by Electronics For You team on its **B2B portal: eleB2B.com**. CPF will enable suppliers of electronics products (materials, components, equipment, etc) to connect with like-minded and interested entrepreneurs and organisations seeking such business opportunities. While the suppliers may be from India or across the globe, the channel partners being engaged are from India.
