

# Metrix+™

Innovative Excellence

## TESTING

**Digital Clamp Meter – 725A+**

600A AC/DC True RMS, manual plus auto ranging, clamp multimeter with AC/DC V, AC/DC A, resistance, capacitance, frequency, duty ratio and temperature test with backlit LCD display.

**Digital Earth Resistance Tester – DET 1501**

Upto 20000hm earth resistance tester measuring with 2/3 wire test principle and 1999 count clear LCD display.

**Digital Multimeter – 31C**

Economic digital multimeter with AC/DC V, DCA, resistance, diode, continuity, temperature and backlit LCD display.

**Digital Lux Meter – LX 1330A+**

360° rotatable head lux meter with measuring range upto 2,00,000 lux, max/min and date hold functions, backlit LCD display and lux/FC convertible values.

**Digital Ultrasonic Thickness Gauge – UTM 5A+**

User friendly menu operation, measuring range of 1 ~ 300mm, memory storage, preset material velocities for quick measurement, internal calibration and mm/inch convertible values.

**Digital Thermometer – DT305-S**

Economic, high precision digital thermometer with K-type thermocouple, measuring range of -50 ~ 1300°C, data storage and recall, high and low temperature alarms and oC/oF convertible values.

**Line Voltage Tester – CD 2**

Simple to operate pen type voltage tester with LED and buzzer sound for live wire test.

**Digital Gloss Meter – Microgloss**

High precision, one button operation gloss meter to measure tri-angle (20o/60o/85o) gloss simultaneously with date storage and recall and PC interface for added functionalities.

## WIDEST RANGE OF TEST EQUIPMENTS FOR EDUCATION & INDUSTRIES

WITH MOST ECONOMICAL  
PRICES AND BEST AFTER  
SALES SUPPORT

DSO with InBuilt Function  
Generator & DMM XDS Series

Digital Storage Oscilloscope (DSO)  
SDS Series, 20/30/50/60/100/200MHz

Spectrum Analyzer with Tracking Generator  
XSA Series, 1.5 / 3.6 GHz.

Arbitrary Waveform Function  
Generator AG Series, 10 / 25 / 150 MHz.

5.5 Dgt Benchtop Multimeter,  
XDM Series

### ALSO AVAILABLE

- Mixed Signal Oscilloscopes
- PC Oscilloscopes
- Programable Power Supply
- Handheld Multimeters
- Scope Meters
- Oscilloscope Probes
