

DISCRETE SEMICONDUCTORS EMPOWERING YOUR DESIGN

Switching Diodes
Schottky Diodes
Zener Diodes

ISO9001-2008

ISO/TS16949

ISO14001

General Purpose Rectifier
Fast Recovery Rectifier
Ultra-Fast Recovery Rectifier
Super-Fast Recovery Rectifier
Schottky Rectifier

General Purpose Bridge
Fast Recovery Bridge
Schottky Bridge

ESD TVS
Polymer and Ceramic ESD TVS
Transient Voltage Suppressors
Thermistors
Chip Fuses

SUZHOU GOOD-ARK is a leading global discrete semiconductor manufacturer that offers a wide variety of surface mount, through-hole and wafer devices with superior quality and reliability at competitive costs. Suzhou Good-Ark manufactures innovative discrete semiconductors with increased power density and energy efficiency in pursuit of environmental sustainability and cost effectiveness.

Sole Indian Distributor "Hicotronics Devices Pvt. Ltd."

Ex-stock delivery, supply available in USD / INR.

Hicotronics Devices Pvt Ltd.

39/1, 1st Main Road, New Timber Yard Layout, Behind
Satellite Bus Stand, Mysore Road, Bangalore 560026.
