

TEKSCAN IS COMING TO INDIA

Tekscan's complete line of FlexiForce™ Touch Sensors is now available from **Rajguru Electronics.**

FLEXIFORCE™ POTENTIOMETERS

FlexiPot Ring

Circular sensor to identify position, location, or adjust output

FlexiPot Strip

Rectangular sensor to identify position, location, or adjust output

STANDARD FLEXIFORCE™ TOUCH SENSORS

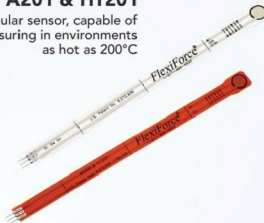

A101

Smallest sensor, ideal for OEM applications

A201 & HT201

Most popular sensor, capable of measuring in environments as hot as 200°C

A301 & ESS301

Standard 25 mm sensor with high temperature and humidity capabilities

A401

Largest circular standard sensor

A502

Largest square standard sensor (50.8 mm x 50.8 mm sensing area)
