

Industry leading Keysight Electronic Test & Measurement Products and Platforms

Now available at  **GeM**
Government
e Marketplace

Measure with Confidence. Order with Ease.
Move the technology forward with Keysight.

At Keysight Technologies, we are committed to enable you achieve electronic breakthroughs faster at a lower cost. We will help you take the lead—from evolution to revolution to reality. Choosing the right measurement equipment is essential and that choice has implications lasting years. Keysight's breadth and depth of product and service offerings, technical expertise, and history of trust and integrity provides you with industry leading options and solutions. Whatever your industry and application – electronics, electrical, installation and maintenance, wireless communications, aerospace and defense, or industrial process testing – we have a wide range of test tools for you. What's more! Most of the Keysight products and test platforms are now available at GeM (Government e-Marketplace).
