

Know About The Latest In The Test & Measurement Space

Organised by EFY Group, Test & Measurement India (T&M India) is India's only show on T&M equipment. Launched in 2012 as a co-located show along with EFY Expo, it has established itself as the must-attend event for users of T&M equipment, and a must-exhibit event for suppliers of T&M products and services

Being held as part of IEW 2017, it is the second time that this event is being held at Bengaluru along with EFY Expo, Electronics Rocks, *LEDASIA.in*, *IoTshow.in* and Raksha India. T&M India 2017 will feature T&M Showcase, too, where new products will be demonstrated live to the audience.

Who should visit

- Test engineers
- Design engineers
- Quality control engineers
- Technical and business decision-makers (CEOs, MDs, purchase managers, etc)
- Channel partners (traders, systems integrators, etc)

Highlights

- T&M Showcase, a platform for live demonstrations of T&M products under two categories: power and wireless.
- Buyer-Seller Meet for large buyers to have one-on-one meetings with leading suppliers of electronic products, services, components and manufacturing equipment.
- Vendor Development Talks to enable top buyers to share their sourcing requirements and vendor-selection parameters with a larger number of sellers.
- International exhibitors from Japan, Taiwan, South Korea, the USA, the UK, Singapore and China exhibit at the event. Besides regular business, strategic business deals such as joint ventures and distributorships are possible.
- VIP Lounge is a well-managed space to help
