

Now you don't have to pay high prices for Digital Test & Measurement Instrument !

KUSAM-MECO®
An ISO 9001:2008 Company

KUSAM-MECO® offers the latest Test & Measurement Instruments required for Research & Development Laboratories & Electronic Laboratories in Engineering Colleges &

manufacturers of Electronic equipments at affordable prices.

KUSAM-MECO® offers the following instruments.

- ◀ Bench Top Digital Storage Oscilloscopes (upto 500MHz)
- ◀ Hand held Storage Oscilloscopes (upto 200MHZ)
- ◀ Digital Spectrum Analysers
- ◀ Digital Frequency Counters
- ◀ DC Regulated Power Supplies
- ◀ Accessories for above.
- ◀ Digital Multimeters (4½, 5½, 6½ Digits)
- ◀ Arbitrary Waveform Generators
- ◀ Frequency Generators
- ◀ Synthesized Signal Generators
- ◀ Pulse / Pattern Generators.

OTHER PRODUCTS

- Digital Multimeters • Digital Clampmeters • APFC Relays • Power Clampmeters • Gas Detectors • Power Transducer
- Signal Transmitters • Portable Thermal Imaging Camera • Cable Fault Pre-Locator • Laboratory Instruments
- Power Measurement & Control Instruments • Programmable Digital Panel Meters • Test & Measuring Instruments
- Process Calibrators • High Voltage Measuring Instruments • Digital Insulation & Earth Resistance Testers
- Environmental Testing Instruments • Waterproof Pen Testers, etc.
