

ELVEEGO CIRCUITS

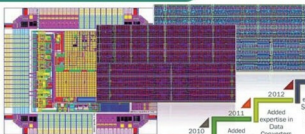

Analog, Mixed Signal & RF IC Designs

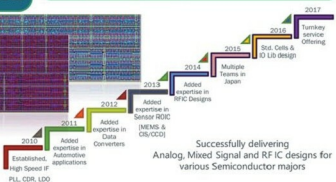

Designs delivered across technologies, geometries and foundries

Trusted Partner in :
Product Retargeting
R&D Services
IP Development
Design Consulting
Feasibility Study
Turnkey Design Services
ODC / Dedicated Team

To join our team of Analog Design Experts,
connect with us at career@elveegocircuits.com

Successfully delivering
Analog, Mixed Signal and RF IC designs for
various Semiconductor majors

Industry leading high temperature, high voltage, high ripple current Conductive Polymer Solid Capacitor

CN series conductive polymer solid capacitor

Features

- Extra high temperature, long load life
- Low ESR, excellent temperature characteristic
- Quick start in low temperature
- High ripple current

Applications

- LED Driver
- Industry Power
- Mobile Quick Charger

Zhaoping Beryl Electronic Technology Co., Ltd.

Office: +86-758-2862871-8011;

Email: fsale12@zq-beryl.com Mobile: +86-18125261329

ZQ Factory: 2nd Area, Western Side of No.8 Duanzhou Road,
Southern Side of Zhaoping Avenue Zhaoping City, Guangdong-526020, China.
