Advertising, if done properly, can do wonders for many businesses. Here are 10 guru mantras to help you understand the impact of advertising and more importantly—how to do it right. Wish you speedy growth this year.

The image shows the cover of the magazine 'electronics'. The title 'electronics' is written in a large, bold, white sans-serif font. Below it, the subtitle 'electronics in minutes' is written in a smaller, red, sans-serif font. The cover features a close-up photograph of a person's face, with the eye and part of the nose visible. The background is dark and textured. There are some small logos and text in the top left corner, including 'UK' and '100%'.
