

TRACO POWER

Reliable. Available. Now.

Encapsulated AC-DC Power Module 2W - 100W

Traco Power offers a large range of fully encapsulated AC-DC power supply modules with more than 200 standard models. They are available for PCB mount, chassis mount with screw terminal block or blade connector or with flying leads.

TML Series, 20 - 40W

- PCB mount or chassis mount with screw terminals
- Single, dual and triple output models
- Universal input 90-264 VAC, 47-440 Hz
- EMI meets EN 55022, class B and FCC, level B
 - Protection class II for TML 40 models
- Short circuit and overload protection

TMP-TMPM Series, 4 - 60W

- Ultra Compact, Low Profile Plastic Casing
- Single, dual and triple output models
- Universal input 85-264 VAC, 47-440 Hz
- IEC/EN/UL 60950-1 approval, CB-report
 - Protection class II
- Short circuit and overload protection

A wide range of AC/DC Power Supply from 2W to 1kW covering the demand in Industrial Automation, Railway, Medical market segments. Traco Product certifications to EN55022 Class A/B, EN60950, EN60601, 2xMOPP, EN61000 etc., with stock availability.

PCB Mount 2W - 100W

Open Frame 100W -200W

DIN Rail AC-DC 15W - 960W

Harsh Environment - 120W

Authorized Distributor in India
