

MORNSUN®

5-25W & 85-305VAC Wide Input Voltage AC/DC Converter LH Series

Features:

- Input voltage range: 85-305VAC/100-430VDC
85-264VAC/100-370VDC
- Operating temperature: -40°C to +70°C
- Isolation: 3000VAC
- Efficiency up to 87%
- EMI meets EN55022 Class B
- IEC/EN/UL60950 approval
- Optional packages: PCB mounting,
chassis mounting, DIN-Rail mounting

* For the detailed information, please refer to datasheet.
