

Benefits to the Individual

- ✓ **Jobs:** Access career guidance seminars by industry experts, and priority notifications on job opportunities for freshers
- ✓ **Certification:** Become a certified EFY (UP) University Programme member
- ✓ **Internship:** Intern with EFY team remotely from students' location

Benefits that scales up the Institution

- ✓ **Hard skills:** Participate in webinars and discounted live expert workshops on modern engineering technologies
- ✓ **Soft skills:** Attend webinars and access guides to improve and magnify soft skills
- ✓ **Awards:** Rewards and recognition for students, faculty and institutions, that enhance your value to corporations and companies

EFY Connect

- ✓ Industrial connect and communication with thought leaders in engineering
- ✓ Media Coverage on events through articles and write-ups including photographs and social media coverage
- ✓ International and national wide reach to EFY subscribers

“

EFY University Programme aims to apply the essence of education and acceptable thoughts to every budding engineer in India. This will create a monumentally effective ecosystem to learn and share what is known, and to pursue the undiscovered in technology.
