

Solutions for 2-Wheeled Vehicles

Improve safety, reliability, and efficiency

Magnetic Speed & Position Sensor ICs | LED Driver ICs | Motor Driver ICs | Current Sensor ICs

Allegro has a broad portfolio of solutions optimized for two-wheelers, be they on- or off-road motorcycles, scooters, or e-bikes. These ICs enable enhanced safety, convenience, and efficiency, and ease regulatory compliance and electrification. They are the result of decades of transportation industry expertise and our proven automotive-grade manufacturing processes and quality systems.
