

7 Micro Incisions.
2 Vital Organs.
Zero Margin of Error.

When you're in the middle of computer-assisted surgery, systems failure is not an option. At Positronic, we build high reliability power and signal connectors. But our true call is to provide certainty. Rock solid, mission-critical performance upon which you can bank life and limb, family and fortune. We consider it an honor. We consider it an inviolable trust.
