

WHEN THE WINDOW OF OPPORTUNITY IS SMALL, **DON'T STALL.**

Don't let time get in the way of offering customers the technology that is ahead of its time.

By collaborating with Covestro, launch new and advanced mobile phone models without any delay & enjoy customer loyalty.

With Covestro's talented materials and local manufacturing support, you can:

- Reduce your prototyping time
- Reduce the lead-time for material supply during development
- Scale-up faster
- Improve your cost-efficiency and yields

Give your business the competitive edge today!
