

Celebrating One Year of a New Paradigm **I-STEM**

Linking Researchers and Resources

A Government of India Initiative

Indian Science Technology and Engineering facilities Map (I-STEM)

I-STEM in the service of Atmanirbhar Bharat

A National Web Portal I-STEM for Linking Researchers & Resources

An initiative under the Prime Minister's Science, Technology & Innovation
Advisory Council (PM-STIAC)

Launched by the Honourable Prime Minister of India
Shri Narendra Modi on January 03, 2020

Chosen by the Govt. of India as one of the Transformative Ideas

I-STEM: Linking Researchers and Resources

(Launched by the Honourable Prime Minister of India on Jan 03, 2020)

Utilize the
Taxpayer's
Money
Judiciously

Optimal
use of R&D
Budget

MODULES AVAILABLE:

- | | | |
|-----------------------------------|--|-------------------------------|
| ■ COMSOL Multiphysics 5.6 (Basic) | ■ Chemical Reaction Engineering Module | ■ Microfluidics Module |
| ■ AC/DC Module | ■ Live-Link for MATLAB | ■ Composite Materials Module |
| ■ Semiconductor Module | ■ Material Library | ■ Structural Mechanics Module |
| ■ RF Module | ■ Heat Transfer Module | ■ Optimization Module |

Please make sure to acknowledge the support of Office of the PSA, Government of India, in all outcomes, such as, Publications/Patents/ Reports arising out of using I-STEM resources.

No authorship to be granted to any of the staff/employees/members of the Government of India in any form for support given through I-STEM.

Steps to be followed:

- ☞ Register [one time only] @ <https://www.istem.gov.in/register/user>
- ☞ Sign up [one time only] @ <https://www.comsol.co.in/access/login>
- ☞ Visit: www.istem.gov.in/istem-comsol

Follow the guidelines

given at the I- STEM portal or write to us at istem.india@gmail.com
