

Congress suspects scam behind removal of Ravi Shankar Prasad from MeitY

Congress, the main opposition party in India, is suspecting that the removal of Ravi Shankar Prasad from the cabinet could have links with fear of a controversy erupting in the upcoming Parliament session. The party citing a latest report from Comptroller & Auditor General of

India also hinted towards a possible scam in the Ministry of Electronics & Information Technology (MeitY). The party noted that the Department of Telecommunication (DoT) has been allotting projects to various private partners worth tens of millions without issuing any tender.

Ravi Shankar Prasad

PEOPLE (on the move)
