

TWITTER HANDLE IN ARTICLES

I have been reading EFY magazine for a long time. I suggest you to please add Twitter handle of the interviewed person (interviewee) in the articles. It would be useful to follow and connect with them.

Prakash U.M.

EFY. Thanks! Will see if we can add Twitter and LinkedIn URLs of the spokespersons and authors who are open to sharing.

...

WIRELESS TECHNOLOGIES

Please let me know if you have any special issue covering wireless technologies?

Rohit Joshi

EFY. Please see May issue which covers wireless technologies including wearables, Bluetooth, and TensorFlow for handheld devices. You may also visit our website electronicsforu.com and type in the keyword such as wireless to search relevant topics.

...

MATLAB BASED PROJECTS

I am interested in communication related projects using MATLAB. Please let me know if there are any projects on this subject published in EFY.

Sowndar

EFY. Some of the MATLAB based projects published in EFY are listed below:

1. Speed Sensor Data Acquisition in MS Excel Through MATLAB-based Graphical User Interface
2. Digital Modulation Technique Using MATLAB
3. MATLAB GUI Based Ultrasonic Liquid Level Monitoring System
4. Simulink Model for Real-time Logging of Process Data in MATLAB Workspace
5. Monitor Process And Graphical Trending Using MATLAB
6. Equipment Controller Using MATLAB-based GUI
7. Wireless Control of Robotic Car through MATLAB GUI
8. Logging Sensor Data in MS Excel Through MATLAB-GUI

...

IOT BASED ARTICLES

I am interested in IoT based articles. Are there any recently published articles on this subject in EFY?

Omkar

EFY. Following IoT related articles have been published recently:

1. IoT Enabled Voice Triggered Control System for Bedridden Covid19 Patients
2. Design IoT Face Recognition AI Robot
3. IoT-enabled Device for Secure Deliveries
4. IoT is All About Data and How The Data is Being Used Effectively for

Running The Business

5. IoT Creating New Avenues For Data Analytics
6. IoT Is A Great Fuel For Digital Transformation
7. IoT To Prevent Food Waste
8. The IoT And AI In Defence
9. Exploring The Applications Of IoT
10. Contact-free IoT Biosensors for Patient Monitoring
11. The IoT And Drones For Digitally Transforming Industries
12. Build This IoT-Based Smart Home Controller Using Blyn

...

IOT BASED ANDROID APP PROJECTS

I am searching for IoT based Android projects. Please let me know if such projects are published in EFY.

Krunal

EFY. You may refer to 'Smart Musical Bell That Identifies The Person' DIY article published in October issue. There is another project 'IoT Based Notification System Using Android App' available at <https://www.electronicsforu.com/electronics-projects/iot-based-notification-system-using-android>

Note. We thank readers who take out time to send their feedback and comments. Most articles published in EFY magazine can also be read at our website <https://www.electronicsforu.com> after some time, including DIY articles whose components can be purchased from our kitsnspares.com website (or by writing to info@kitsnspares.com).
