

11 Easy Steps need to be followed to do practice/make use of the portal for equipment booking across the country:

- 1 Login/Register as a user: <https://www.istem.gov.in/register/user>
(Registration is required one time only to become member of the portal)
- 2 Search the equipment "AFM_Test" -Results will be on Left Side (I-STEM team may interact online to complete the cycle of practice session)
- 3 Choose the equipment showing nearer to you-(based ariel distance from your location) - see the details on Right side about its location, address, contact etc.
- 4 Click on More Details--->Equipment Reservation.
(Read all the details available on the page)
- 5 Choose the available "Date" on Booking Calendar page-> New Booking Request-> Select Date & Slot available (if it is displaying overlapping messages, then change date/time-slot before or after the overlapped slots).- Fill the small form and submit (Read all the details given on this page).
- 6 Booking Request Page: (Read the 3 sections carefully)
6a. Personal Information: (Check especially the Billing Information for invoice)
6b. Booking Information (Filled in the step 5) 6c. Technical Information- Choosing the correct option
Direct Booking or Through Supervisor (Internal Booking))-Read the guidelines in details
- 7 Submit and receive the Facility Booking Record (FBR) to track the request status
https://www.istem.gov.in/equipments/bookings/fbr_status
- 8 Host Institution may ask for many technical clarification before the slot allocation- Be ready with needed technical details.
- 9 After Slot Allocation, the payment option will be activated: "Offline/Online Booking" (use offline for practice session).
- 10 Check the e-Invoice (on the portal) & e-Receipt (through email).
- 11 Don't forget to write the Feedback (feedback form will appear after execution of slot requested only).

Guidelines for I-STEM Portal Users (Industry, Start-ups & Academia)
(Steps for short term engagement only)

In case, you have any query, please choose "Contact Operator" before booking or use Option "FBR Discussion (Chat box)" after the FBR Generation
