

ROBOTIC PROCESS AUTOMATION

This is regarding the 'Should You Invest In Robotic Process Automation? Is It Worth It?' article published in November 2020 issue. Yes, a combination of RPA, AI, BPM tools is worthy for automation. As one thing is clear, the future is going to be automated. We all have to adapt and prepare for it in all parts of our society.

ARTICLES ON SOLAR CONTROLLERS

Solar energy is one of the important sources of energy. Please publish articles on solar controllers, grid modules, off-grid controllers, efficient solar panels, and their protection, safety and durability.

Labh Singh

EFY. The magazine covers solar energy and related subjects every now and then, and we will continue to do so. Please look up EFY website www.electronicsforu.com

...

ELECTRIC VEHICLE CHARGER

I need technical support material to develop electric vehicle battery chargers. Please help.

Vishnu

EFY. You may refer to 'Design Your Own Electric Vehicle Battery Charging Solutions' article published in May 2020 issue, which is also available at <https://www.electronicsforu.com>

...

EFY SOURCE CODES

Where can I download the source codes used in EFY published projects?

Sameeksha

EFY. If you know the issue (month/year), you can download the source code from link source.efymag.com. In case you do not know the issue, please mention name of the project, so we can help you through email.

...

555 BASED PROJECTS

I am interested in 555 based projects. I just want simple and basic projects that can be easily implemented. Please help.

Siddhi

EFY. Some of the 555 based projects available on our website are listed below:

1. Awesome 555 Timer IC Projects
2. Motion Detector Using NE555 Timer
3. 555 Timer PWM Audio Amplifier

...

LED BASED LAMP

I am looking for LED based reading lamp circuits. Please share the list of some relevant projects recently published in EFY.

Rabson Chipeta

EFY. You may refer to the following circuits/projects available on our website (www.electronicsforu.com):

1. LED Based Reading Lamp
2. Low-Cost Night Lamp
3. Bluetooth Operated LED Desk Lamp

...

TOUCHLESS DOORBELL

This is regarding the 'Touchless Doorbell For The Post-Covid World' DIY article published in April issue. I think Microchip has the best touchless technology.

Michael Brown

EFY. There may be many more touchless technologies available in the market.

This project is based on TSOP1738 IR sensor.

...

ELECTRICAL PROJECTS

Please suggest some electrical engineering projects published in EFY.

Shivi

EFY. We regularly publish simple circuits as well as challenging projects related to electrical, computers, and electronics under DIY section. Most of these articles can be downloaded from EFY website www.electronicsforu.com

...

PROJECTS ON DRONES

I am interested in drones. Please suggest some inexpensive and easy to assemble projects on drones published in EFY

Ajit Dani

EFY. Some of the drone projects available on our website (www.electronicsforu.com) are listed below:

1. Smart Drone With Real-Time Face Recognition
2. Make Your Own Quadcopter Drone
3. Voice Command Controlled Drone
4. Fast-Moving Drone For Public Announcements

In case you want to have more insights on the drones in India, various applications, private and government initiatives, training centres and business models, etc, you may refer to the 'Dawn Of The Drones In India' article available on our website.

Note. We thank readers who take out time to send their feedback and comments. Most articles published in EFY magazine can also be read at our website <https://www.electronicsforu.com> after some time, including DIY articles whose components can be purchased from our kitsnspares.com website (or by writing to info@kitsnspares.com).
