

Side by side with the technologies that usher in new eras

Since our founding in 1885, TANAKA Precious Metals has been pursuing new values and possibilities as precious metals professionals. Automobiles, semiconductors, home electronics, alternative energy, medical, environment and infrastructure. Our mission is to support all fields that require precious metals and to advance the businesses of all our customers. By doing so, we contribute to a better society and a better future. You will always find us side by side with the technologies that usher in new eras.

High-quality products proudly "Made in Japan"
