Pune's Electronics Expo!

Pune is one of India's fastest growing electronics and automotive regions. The Pune-Nasik-Mumbai triangle represents a market that's not been tapped by any electronics event yet.

Hence, Electronics For You team has launched **EFY Expo @ Pune**. An Electronics expo with conferences focused on (1) Automotive Electronics & EVs, and (2) Industry 4.0 aka IIoT.

So, whether you target automotive / EV clients OR electronics sector at large—you must book a booth at this event to encash this golden opportunity.

For more information on sponsoring and exhibiting
