

“Policies Such As **STARTUP INDIA** Or **MAKE-IN-INDIA** Have Opened The Industry Doors For **ELECTRONICS GRADUATES**”

Established in 1916, SNDT Women's University (SNDTWU) has been a pioneer in women's education. The University set up the Premilila Vithaldas Polytechnic (PVP) in 1976, which offers a wide array of job-oriented technical and vocational courses related to administration, design, engineering, science, and paramedics. Yashasvini Razdan from Electronics For You spoke to Prof. Dinesh Girap, Head of Department, Electronics, PVP-SNDTWU, and got some very interesting details

How can we encourage more and more girls to study electronics and allied fields?

Thank you so much for asking me this question. SNDTW University opened its first polytechnic college in 1976, only for girls, and it is one of the oldest polytechnic colleges in Mumbai. When it comes to electronics, the number
