31st JAN - 2nd FEB 2024 | KTPO (BENGALURU)

WHAT'S EMBEDDED INDIA?

Simply put, it's India's only tech conference-plus-expo focused on Embedded Systems.

It caters to developers of embedded systems solutions by empowering them with latest tech and best practices to develop innovative solutions using cutting edge tech and out-of-the-box planning.

Held as part of India Electronics Week, its first edition was held in 2022. It witnessed great participation from visitors, conference delegates, speakers and exhibitors.
