

DKS Co. Ltd.

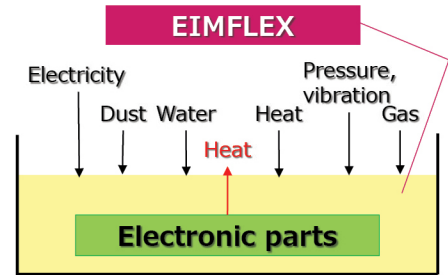

EIMFLEX - Polyurethane resins for electric insulation -

Electronic parts such as PCBs are always exposed to external stresses that cause malfunctions e.g. heat, dust, water, vibrations and gasses.

EIMFLEX series, DKS' polyurethane resin products for electric insulation, protect them from such external stresses by pouring and curing around these electronics and enhances their reliability in every usage condition.

Recommended applications:

Electronics for home appliances
Electronics for automobiles
Lithium-ion secondary batteries

Unpotted PCB

Potted PCB

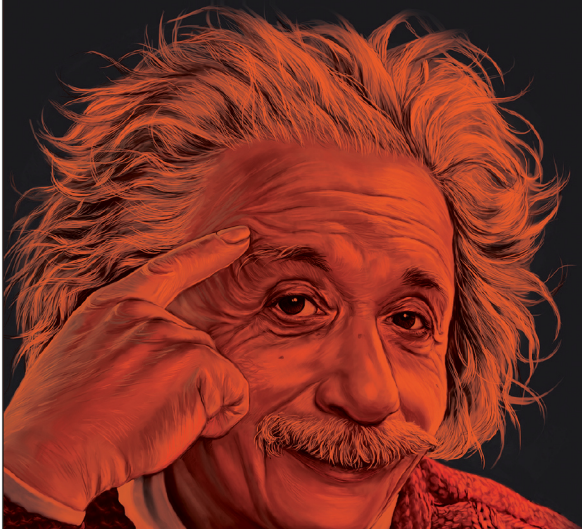

CBC Corporation (India) Private Limited
