PRECISION MADE EASY

Next-generation oscilloscope for
accelerated insight

NEW R&S®MXO 4 Series oscilloscope

The R&S®MXO 4 Series is the first of a new generation of oscilloscopes that excels in both performance and value. The instruments deliver a once-in-a-decade engineering breakthrough for accelerated insight. The R&S®MXO 4 Series oscilloscopes utilize leading-edge technologies to achieve fast and accurate results. Custom technology and innovative features in our oscilloscopes quickly boost your understanding of circuit behaviors.
