

iPads

Next-generation line-up

Apple has launched a new generation of Apple iPad Pro line-up in India with iPad Pro 27cm (11-inch) and iPad Pro 32.8 cm (12.9-inch). Each iPad Pro come with a LiDAR scanner that can measure the distance to surrounding objects up to five metres away, both indoors and outdoors. The iPad Pro 11-inch comes with a Liquid Retina display with a screen resolution of 2388 x 1668 pixels, 600nits brightness, and 264ppi pixel density. The 12.9-inch iPad Pro comes with a 12.9-inch Liquid Retina display with a screen resolution of 2732 x 2047 pixels. The iPads are powered by octa-core A12Z Bionic chipset

along with M12 motion co-processor. Both come with a dual-camera setup with a 12MP primary lens with f/1.8 aperture and a 10MP ultra-wide lens with f/2.4 aperture. They are equipped with five microphones for calls, video recordings and four speakers.

Smartphone

With 14.5cm HD+ display

HMD Global has unveiled Nokia 1.3 Android Go edition smartphone which it will sell from early April. It comes with a 14.47cm (5.7-inch) HD+ display with screen resolution of 1520 x 720 pixels and 19:9 aspect ratio. Nokia 1.3 is powered by an octa-core Qualcomm Snapdragon 215 processor with Adreno 308 GPU. It is backed by 1GB RAM and 16GB internal storage. The phone comes with a 5MP shooter for selfies and video calling and an 8MP rear camera with LED flash. It is powered by a 3000mAh battery with 5W charging support, and it runs on Android 10 Go edition. It supports 4G VoLTE, Wi-Fi, Bluetooth 4.2, GPS, micro-USB port and dual-SIM.

Soundbar

With 320-watt sub-woofer

Philips has launched TAPB603 in India, a sleek 3.1-channel Dolby Atmos soundbar, which it will sell through online and offline retailers. Its most striking feature is the 320-watt sub-woofer, which can be connected to the soundbar wirelessly. The soundbar has three channels that give height and depth to the sound, and create a virtual 3D surround sound effect. It comes with three HDMI ports with ARC and 4K pass-through. It also has a USB port, an audio-in input, and an optical input. It supports Bluetooth connectivity.
