

tery charge lasts for weeks. With the all-new waterproof Kindle Paperwhite, you're free to read and relax in places such as beaches, pools, or bathtubs. Paperwhite is IPX8 rated to protect against accidental immersion in up to two metres of fresh water for up to sixty minutes.

Price: ₹ 12,999 (10th Gen)

HP Sprocket. It is a compact photo printer that is easy to carry and easily fits in your pocket or a small bag. With the help of this mini printer, you

can create 5cm x 7.6cm (2 x 3 inches) photos whenever you want. You can print your photos in a trouble-free way by simply loading HP Zink paper into your HP Sprocket photo printer. You can also print your social media photos by connecting your social media accounts to the HP Sprocket app. You can customise your photos by adding emojis, fun texts, borders, and more.

Price: ₹ 2,799

Google Nest Hub Max. It is a smart display launched by Google, initially unveiled under Home Hub. It has gained immense popularity among students and educational institutions

as well. It features a 25.4cm (10-inch) HD screen with stereo speakers. The device can be used for checking the weather, traffic, news, recipes, jokes, games, riddles, and more. It features a wide-angle camera coupled with 127 degrees field-of-view that can be

used for video calls via Google's duo service. It is backed by nifty video processing smarts, allowing the display to automatically focus and zoom in on an individual while he/she is moving in the room.

Price: ₹ 8,999

Nebula Capsule II. It is a smart mini projector launched by Anker, which most of the schools and colleges are now using. It has a built-in Android TV for your entertainment. You can also download your favourite apps such as Hulu, YouTube, Amazon Prime, Twitch, and more. Backed by Google Assistant, the projector also features a one-second auto-focus to deliver a razor-sharp, high-definition image. Users can watch their content via physical connections like HDMI and USB, or wirelessly over Wi-Fi, Bluetooth, and Chromecast. Capsule II's USB-C port with Power Delivery technology enables rapid charging. Another USP is that it offers three hours of constant HD projection.

Price: ₹ 43,603

Rocketbook Everlast (Core) smart notebook. It is a very unique gadget for students in this digital era that offers a classic pen and paper experience. The Core is endlessly reusable and can be connected to all of your

favourite cloud services. While writing using any pen, it appears like normal writing and sticks to the notebook's pages like regular paper. But if we add a drop of water, the writing gets erased instantly.
