

Metrix+TM
Innovative Excellence

603A+

603A+ is a versatile digital multimeter with special function of IR test, capable of measuring AC/DC V, AC/DC A, resistance, capacitance, frequency, temperature, continuity, diode and live wire test.

725A+

Digital AC/DC Clamp Meter 600A True RMS with durable 28mm jaw size and auto + manual ranging. Suitable for AC and DC current measurement, AC/DC Voltage, Resistance, Capacitance, Frequency, Duty, Temperature, Continuity and Diode.

Coat Measurer F

Coat Measurer F is a reliable DFT meter with external probe for flexible measurement and optional PC interface for data logging.

GLS 09

GLS 09 is a single angle 60° gloss meter with data storage, simple calibration and measurement range up to 200 Gloss Units.

MM-SOIL

MM-SOIL is an application specific moisture meter specifically for soil type material. It is useful in agriculture for ascertaining the moisture content of soil for the growth of crops.

DM 60

DM 60 is an ergonomic laser distance meter with measurement range up to 60m and additional functionalities of area volume, pythagorean calculations, data storage, horizontal and vertical spirit levels, silent operation and clear display.

COL 45

COL 45 is a color meter or a colorimeter, which can measure the color of a no lighting, non-fluorescent material in six color spaces and also measure the difference between two colors. It has data storage and statistics display of min, max, avg and standard deviation.

ULD 30

ULD 30 is an ultrasonic leakage detector, designed to locate the source of ultrasonic emissions generated by gas or air leaks. It has LED display panel and audible tone for identification of the leaks.

MetroQ

WIDEST RANGE OF TEST EQUIPMENTS FOR EDUCATION & INDUSTRIES

WITH MOST ECONOMICAL
PRICES AND BEST AFTER
SALES SUPPORT

DSO with InBuilt Function
Generator & DMM XDS Series

Digital Storage Oscilloscope (DSO)
SDS Series, 20/30/50/60/100/200MHz

Spectrum Analyzer with Tracking Generator
XSA Series, 1.5 / 3.6 GHz.

Arbitrary Waveform Function
Generator AG Series, 10 / 25 / 150 MHz.

5.5 Dgt Benchtop Multimeter,
XDM Series

ALSO AVAILABLE

- Mixed Signal Oscilloscopes
- PC Oscilloscopes
- Programmable Power Supply
- Handheld Multimeters
- Scope Meters
- Oscilloscope Probes
