1 (RS485*1)

1 (RS485*1)

1 (RS485*1)

Modbus Gateway, Modbus RTU to TCP

4-way Ethernet WiFi network IO controller

4-way GPRS network IO controller

8-Way EthernetWiFi Network IO Controller

8-way GPRS network IO controller

MAJOR APPLICATIONS

AGRICULTURE

Irrigation Systems

ENERGY

Power & Smart Grid
PV Inverter Management
Electric Power Control System
Smart Charging-pile

INDUSTRIAL AUTOMATION

Oil & Gas Management
Industrial Weighing System
Production Line Control
PLC Network Management

BMS

Security & CCTV System
Fire Alarm & Safety System
Access Control
Heating & Air-Condition HVAC Solution
